

BUILD EXCHANGE

**Be part of the most productive sales event
in the single-family housing industry!**

*"We can get more accomplished in two days at the Build Exchange than we could in six to nine months in the office!"
- Southern Homes of Polk County*

April 29- May 2, 2018

Park Hyatt Aviara
Carlsbad, CA

Why attend the Build Exchange?

Efficiency: Over two and a half days, you will meet with 16+ suppliers, while having access to many more at our social receptions. There isn't a more efficient way to meet with leading suppliers in the industry!

Focus: You meet with the suppliers of your choice, and each meeting is a focused, 20 minute sit down.

Networking: In addition to conversations with suppliers, you are also able to network with fellow builders from across the country.

"The biggest benefit overall is networking with builders and vendors. Having so many vendors available at one time was very beneficial and efficient."

- Drees Homes

The Build Exchange offers qualified home builders direct access to corporate decision-makers from many of the top manufacturers in new home construction.

The unique format of the Exchange allows suppliers to focus on addressing your individual needs and customizing a specific proposal for you.

Builders attend at no cost!

Qualified purchasing executives attend at no cost. Your invitation includes:

- Roundtrip airfare to the event
- Three nights' hotel accommodations
- 16+ one on one meetings with the suppliers/manufacturers of your choice
- Airport transfers when arriving and leaving
- All scheduled meals and receptions
- Directory of all participants
