

OUR APPROACH

DEEPER, MORE FREQUENT CLEANING

- ▶ Enhancing cleaning protocols to **disinfect every space**, ongoing and especially during peak usage
- ▶ Consistently and **frequently disinfecting** all **high-touch items** like elevator buttons and escalator handrails
- ▶ Hand **sanitation stations** added throughout the hotel, especially in high-traffic areas

LESS CONTACT, MORE CONNECTION

- ▶ Using **mobile technology**: Mobile Key, Mobile Dining, eFolio delivery and Mobile Requests via the Marriott Bonvoy™ app
- ▶ Enabling social and **physical distancing** practices: reducing allowable capacities in spaces, increasing distance between furniture, and managing queueing areas
- ▶ Supporting hybrid meetings via **live-streaming capabilities**

YOUR SANCTUARY

- ▶ **Deep cleaning** each guest room between stays
- ▶ Removing nonessential high-touch items that can't be disinfected, and providing **surface disinfecting wipes** in every guest room
- ▶ Limit in-stay housekeeping frequency to **reduce contact** during each stay

NOURISHING THE 'NEW NORMAL'

- ▶ Replacing self-service buffets with a variety of **'grab and go'** contactless food + beverage options
- ▶ **Redesigning food + beverage** station set-ups to include protective barriers; removing non-essential items
- ▶ **Tailoring options** for groups and enabling reserved spaces
